

Amendments to the Claims:

The following listing of claims will replace all prior versions, and listings, of claims in the application:

Listing of Claims:

1. (currently amended) A bag comprising:
 - a) a first panel;
 - b) a second panel;
 - c) first and second layflat side edges;
 - d) a bottom edge; and
 - e) a bag mouth;

wherein at least one of the first and second layflat side edges, and the bottom edge, comprises [[a]] an ultraviolet radiation cured adhesive layer bonding the first and second panels together.
2. (original) The bag of claim 1 wherein the bag panels each comprise a film having an oxygen barrier layer, and a bonding layer.
3. (original) The bag of claim 1 wherein the average thickness of the radiation cured adhesive layer is from 0.1 to 12 micrometers.
4. (original) The bag of claim 1 wherein the radiation cured adhesive forms a pattern.
5. (original) The bag of claim 1 wherein the radiation cured adhesive forms a discontinuous layer.

6.-20 (canceled)

21. (new) The bag of claim 1 wherein the bag is an end-seal bag wherein the first and second layflat side edges are layflat folds, and the bottom edge is a cut that is closed by an ultraviolet radiation cured adhesive.

22. (new) The bag of claim 1 wherein the bag is a side-seal bag wherein the first and second layflat side edges are cuts that are closed by an ultraviolet radiation cured adhesive, and the bottom edge is a layflat fold.
